IMPORTANT SAFEGUARDS

Read all instructions before using.
Important information is highlighted by these terms:

WARNING– Important safety information for hazards that might cause serious injury.

CAUTION– Information for preventing damage to the product.

NOTE– Information to which you should pay special attention.

READ ALL INSTRUCTIONS BEFORE USING.

⚠ WARNING

Please read carefully before use. Failure to comply may result in severe injury.

⚠ WARNING

Do not exceed the 250 lb. maximum weight capacity of this safety frame.

⚠ WARNING

Ensure all detent buttons are properly engaged in position prior to use.

FAILURE TO FOLLOW THESE INSTRUCTIONS MAY RESULT IN SERIOUS INJURIES.

SAVE THESE INSTRUCTIONS.

ASSEMBLY INSTRUCTIONS

Before beginning assembly, identify all parts.

1. Remove existing toilet seat / lid assembly.
2. Place toilet safety frame bracket between toilet fixture and toilet seat / lid assembly with rounded part of bracket facing back of toilet (Figure 1).
3. Replace toilet seat / lid and reinsert mounting bolts through bracket and toilet fixture. Replace and tighten nuts.
4. Insert side frames into bracket. Depress detent button and slide side frame into desired position (Figure 2).
5. Adjust footpieces to desired height. Make sure both footpieces are fully engaged and adjusted at equal heights.
6. Make sure mounting hardware is tightened and all detent buttons are fully engaged before use.

CLEANING

Your safety frame can be easily cleaned with regular household cleaning products. DO NOT use abrasive powders or scouring pads.

Grip Cleaning Instructions

Clean the grips with a mild soap, detergent or household cleaner. Do not use an organic solvent (such as acetone, MEK, lacquer thinner, lighter fluid, dry cleaning fluid, gasoline or turpentine) that may dissolve the plastic and cause the grip to loosen.

***Tips on This Product Contain Dry Natural Rubber.**

LIMITED WARRANTY

Your Medline product is warranted to be free of defects in materials and workmanship for the duration of use by the original purchaser. This device was built to precise standards and carefully inspected prior to shipment. This limited warranty is an expression of our confidence in the materials and workmanship of our products and assures years of convenient, dependable service. In the event of a defect covered by this warranty, we will, at our option, repair or replace the device. This warranty does not cover device failure due to owner misuse or negligence, or normal wear and tear. The warranty does not extend to non-durable components, such as rubber accessories, casters and grips, which are subject to normal wear and replacement.

GARANTIE LIMITÉE

Votre produit Medline est garantit sans défaut en matériel ou en main d'œuvre pour la durée d'utilisation par l'acheteur original. Cet appareil a été construit selon des normes précises et a été soigneusement inspecté avant l'expédition. Cette garantie limitée est une expression de notre confiance dans les matériaux et la fabrication de nos produits et assure des années de service pratique et fiable. En cas de défaut couvert par cette garantie, nous pourrons, à notre choix, réparer ou remplacer l'appareil. Cette garantie ne couvre pas la panne de l'appareil pour cause de mauvais usage ou d'une négligence par le propriétaire, ou une usure normale. La garantie ne s'étend pas aux composants à faible durabilité, tels que des accessoires en caoutchouc, roulettes et poignées, soumis à une usure normale et au remplacement.

GARANTÍA LIMITADA

Su producto Medline está garantizado libre de defectos en materiales y mano de obra durante su tiempo de uso por el comprador original. Este dispositivo fue fabricado según estándares exactos, e inspeccionado exhaustivamente antes de su envío. Esta garantía limitada es una expresión de nuestra confianza en los materiales y mano de obra de nuestros productos y asegura años de servicio conveniente y confiable. En caso de un defecto cubierto por esta garantía, reemplazaremos o repararemos, a nuestra opción, el dispositivo. Esta garantía no cubre fallos del dispositivo debidos a un mal uso o negligencia del propietario, ni el desgaste normal. La garantía no se extiende a componentes no durables, tales como accesorios de hule, ruedecillas y asas, los cuales están sujetos al desgaste y reemplazo normales.
